

# WHERE EVERY DAY IS EXCEPTIONAL.

**Connect with neighbours through shared dinners, card games, exercise groups, dances, seasonal celebrations, and countless opportunities to build lasting friendships.**

## Easy Mornings

Rise and shine at your own pace. Start the day with a peaceful stroll along nearby walking trails or a refreshing swim in the heated indoor or outdoor pool. The 12,000 sq. ft. Community Centre anchors the community, offering fitness classes, lockers and shower rooms, a whirlpool spa, and Swedish saunas, perfect for easing into the day feeling energized and relaxed.

## Playful Afternoons

Afternoons invite creativity, connection, and friendly competition. Spend time in the Community Centre, home to a library, and games room, ideal for mastering your billiards, darts, cards, or shuffleboard skills. Outdoor amenities like tennis courts, horseshoe pits, and nearby bike and walking trails make it easy to stay active, while a nearby 27-hole golf course offers a change of scenery.

## Social Evenings

As the day comes to a close, the community comes together. Neighbours gather for shared dinners, celebrations, or dances, supported by a fully equipped kitchen, large-screen TV, and welcoming social spaces. It's the perfect close to a day shaped by connection, activity, and the simple pleasure of living well among friends.
